

Section 3 – External Auditor Report and Certificate 2020/21

In respect of

HELLINGLY PARISH COUNCIL – ES0048

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2020/21

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Information included in the internal auditor's report indicates that the smaller authority did not publish the notice of public rights for the 2019/20 AGAR on its website, the response to Section 1, Assertion 4 should therefore have been 'No'.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has provided details of the receipts from the last 2 years in respect of the Community Hub build but the information provided is not adequate to explain the variance between the prior and current year values in Section 2, Box 3. Explanations for the variances in Boxes 6 and 9 of Section 2 have been requested but not received.

The smaller authority should ensure that it has regard to the level of reserves held when considering future precept requests. Any earmarked reserves should be considered and formally approved by the smaller authority.

3 External auditor certificate 2020/21

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
