

## IMPORTANT ROADWORKS INFORMATION

Church Road & Station Road, Hellingly

18 March 2024

Dear Resident,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be carrying out drainage works in Church Road and Station Road, Hellingly following numerous reports of flooding to private property and the carriageway.

These works involve a jetting unit attending to clear gullies, alleviating flooding to the carriageway and private property.

### When do they start?

Works will take place between **Monday 8 April** and **Thursday 11 April**. We will inform you of any changes to the dates or times via advanced warning signs on site.

### What are we doing?

These works involve cleaning the drainage system, including all pipes, gullies and access chambers. Any damaged areas found will be recorded for repair at a later date.

### How will this impact highway users?

The road will be closed to through traffic between between 9:30am and 4pm.

The team will be working between the junction of Park Road and the North Street junction.

Traffic will be diverted via Park Road, A271 Hawkswood Road, North Street & vice versa.

### Information for residents and businesses

**Parking:** If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

**Weather:** All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the works area may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens. We would like to take this opportunity to apologise for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network.
