

Grass Cutting Schedule – 2020

Last updated 05/03/20

This schedule shows current scheduled dates for grass cutting. Please note that these dates can change due to weather and will be updated on a weekly basis.

Some towns and parishes have opted to self-deliver their grass cutting programme for 2020/21, as indicated below. If you require information for those towns and parishes who carry out their own grass cutting, then you would need to contact them directly.

East Sussex Highways currently provide 2 standard grass cuts for each town and parish. Those that have 6 grass cuts have paid for this as an additional service.
